

# *Celebration of Life for Nicole Repp*

Saturday, January 7th  
333 Mesa Way  
La Jolla, CA 92037

2-4pm

The celebration will be followed by a brief ceremony at Big Rock.

*In lieu of flowers, the family asks for donation to be sent to [Las Patronas](#) or the [Rady Foundation Peckham Center for Cancer](#)*

Nicole will be greatly missed by the entire La Jolla community and especially by La Patronas.

Nicole embraced big roles and contributed so much within our organization. Bringing her incredible energy, intelligence and organization, Nicole served as Historian, Chair of Communications, Chair of Donations, and co-Chair of Underwriting.

Nicole never waited to be asked to help - she called and offered her services unsolicited. At the warehouse, special tasks and the circular saw were often "waiting for Nicole Repp to arrive." Before she was diagnosed with cancer, she was co-Design Chair with Susan Barrera for Jewel Ball 2015, Magnifique. Her contributions and dedication to Las Patronas were immeasurable.
